

The Mini PlanterSpeaker

Made of durable U/V rated polyethylene from custom molds and imported from Italy, our Terra Cotta PlanterSpeakers look like the real thing! Perfect for patios or around the pool, this beautiful planter speaker stands 20" high and has a 14" diameter. The high quality weather-proof 6" marine speaker is mounted to the bottom of the planter and is concealed from view. Our custom stand features a lower reflector for spacious 360 degree sound. For indoor or outdoor use, our speakers are designed to hold live or artificial plants.

A pair of Mini Planters can cover an area of up to 200 square feet with wonderful music.
